\*Approved applicants only on a Lombard 180 Visa card. The repayments shown are indicative only and assumes the repayments are being made from the first month over the term of the promotional period. To take advantage of the interest free period, the indicative monthly repayments stated would need to be made by the due date for each statement; and includes the \$99 Annual Fee which is charged on the account open date and subsequently on the anniversary of the account open date. This assumes no additional purchases, cash advances or any other fees & charges.

^ Contractually, the Minimum Monthly Payment (MMP) is 3% of outstanding balance or \$30 whichever is the greater. Making this Monthly Payment would not pay the purchase price out within the interest free period. Interest, currently at 22.99%pa. is payable on any balance outstanding after the interest free period. Terms, conditions, fees and charges apply and are available on request.
